# 2 Pianos 4 Hands

by Ted Dykstra and Richard Greenblatt

Get ready for an interlude of riotous laughter as Richard Todd Adams and Matthew McGloin take us on a musical comedic journey about their would-be careers as concert pianists. The talented duo trade stories about piano lessons, pushy parents, and eccentric teachers while playing everything from Bach to Billy Joel. This show not only hits all the right notes, it tickles the ivories and your funny bone too.

# Welcome!

WELCOME!

Welcome to the second play of our 43rd season, **INCIDENT AT OUR LADY OF PERPETUAL HELP!** Many of us will remember the 1970's typical family, eating TV dinners while watching the tube together, laughing at the sit-coms and being

shocked by the turbulent times portrayed on the news. We may have had family squabbles, but ultimately, nothing feels safer than to be with those we really trust and love. And we can really laugh when we feel comfortable enough to be ourselves. This play will bring back warm memories, and will crack you up too!

We could not have done this alone, in fact we have been inspired by the support of our loyal subscribers and donors who have shown us that they believe in our work, which has propelled us to create some amazing theatre. Our director, designers (sets, costumes, lights, sound and props), technical craftspeople and crew continue to collaborate in new and innovative ways. Our development and marketing staff have scoured the landscape for new funding opportunities from foundations and government assistance and new ways to promote to a wider audience. We are proud to be a leader in our industry, operating from our little corner of the world right here in Solana Beach, and we do it all for you, our audience. Thank you for sticking with us through these past few years, and we promise great productions going forward. And now, we are once again gathered in the theatre to have a laugh and create new memories together!

Welcome back!

# DIRECTOR'S NOTE

Welcome to the wacky wild world of Katie Forgette's *Incident at Our Lady of Perpetual Help*. We all need to have a good laugh and reflect on life, especially now. *Incident...* is an outrageously funny and touching 'memory' play driven by a series of mishaps that the working-class O'Shea clan must navigate during the analog world of the early 1970s. This is my era, and I was immediately excited by the opportunity to direct this play. All families have a history that we laugh and learn from and take with us for the rest of our lives. I call it the 'family folklore' since over time our collective memories evolve. Heart and humor are at the core of this play as we take the nostalgic journey which in the end defines family as everything.

When I direct a play, whether it's a comedy or drama, I always consider those artists I work with my family. I am thrilled to embark on my first North Coast Rep experience and add a new theatre family to my life. Thank you to David and the great North Coast team for taking such good care of us. And thank you to my talented O'Shea cast for your willingness to try anything!

Cheers,

Jenny

## SOMETHING FOR EVERYONE

### INHERIT THE WIND NOV 18 @ 7:30PM

Jerome Lawrence and Robert E. Lee's courtroom drama, based on the Scopes "Monkey" Trial, explores the clash between science and faith over teaching evolution. With sharp dialogue and intense debates, it's a must-see for its timeless reflections on freedom of thought.

### TUESDAY NIGHT COMICS NOV 19 @ 7:30PM HOSTED BY MARK CHRISTOPHER LAWRENCE

Tuesday Night Comics is arguably the funniest night of comedy in San Diego. MCL taps into his extensive list of talented comedian friends and shares the North Coast Rep stage with them. **(Rated R)**
